This briefing template is going along with the longer briefing paper (that you worked on significantly for the HQ briefing) that spells out the Oregon standard language and discusses the State's positions. However, maybe adding a specific paragraph about the State's position would be good for this paper.

Hi, Steve and Tom. I am sending you comments/revisions I have suggested to Jill's options write-up for the RA briefing on May 16. Please let me know if you disagree with the litigation risk assessment I have drafted.
